eagled against the trunk. As she was handcuffed, [REDACTED] explained that the cuffs were too tight. She then stated to P.P.O. Hampton that "If the handcuffs were taken off she and P.P.O. Hampton would get it on." When they arrived at the station, [REDACTED] stated that P.P.O. Hampton grabbed her by the sweat-shirt and pushed her on the left arm. After she was taken to the lockup she indicated that P.P.O. Hampton twisted her wrist while removing the handcuffs.

The Arrest Report of [REDACTED] indicated that she was taken into custody by P.P.O. Hampton and Police Officer Miller after she without legal justification, knowingly and intentionally caused bodily harm to [REDACTED] a cerebral palsy patient. [REDACTED] struck him about the face and head with her fist. She was reprimanded twice by the R/Os as she pulled him out of the squad car by his paralyzed legs. At this time she was placed under arrest and given rights. It is further stated that she entered the lockup very disorderly and refused to be searched.

Police Officer Horace Miller, Star #17358 in his To/From Witness Officer Report indicated that he and his partner, P.P.O. Carolyn Hampton responded to theft of a vehicle at 3047 W. Cullerton. R/Os investigation revealed that no vehicle theft had occurred, but in fact the complainant had given the vehicle to [REDACTED]. The complainant understood that because of this action there would be no case report issued. The complainant then asked for a ride for her and [REDACTED] to 7100 W. Touhy. The R/Os explained that they could not comply. At that point the complainant became abusive in language, aggressive, and hostile. The complainant then asked to be taken to 3200 W. Roosevelt Rd. The R/Os complied. Police Officer Miller further related that [REDACTED] was a cerebral palsy victim, who was paralyzed and could not speak. Upon arrival at 3200 W. Roosevelt, the complainant refused to exit the squad car and stated "I'm not getting out of the car with him, people will be staring at me, so find me a place to go." Police Officer Miller advised complainant that they could no longer provide her with transportation. The complainant then became verbally abusive to [REDACTED] and struck him about the face with her fist stating "This is all your fault." The police officers instructed the complainant that her actions were illegal and she would be arrested if she persisted. She responded stating that she "Did not give a shit about [REDACTED] condition, he was only acting," she then continued to strike him. Police Officer Miller then informed the complainant that she was under arrest. Police Officer Miller then placed the handcuffs on the complainant alone, advised complainant of her rights, and placed her in the police room at the hospital. While in the room the complainant began to kick the furniture and doors of the police room stating "I want to fight that female bitch partner of yours." The complainant then asked P.P.O. Hampton to take off her gun and she would beat her ass.

P.P.O. Carolyn Hampton in her To/From Subject Report related that she and her partner, Police Officer Miller, Star #17358 had responded to a call by COS "Auto theft just occurred, 3047 W. Cullerton." R/Os investigation revealed that no auto theft had occurred but in fact the complainant had voluntarily given the vehicle to [REDACTED]. The complainant understood that because of the voluntary nature of the possession there would be no vehicle theft re-

port. The complainant then requested a ride to 7100 W. Touhy for her and [REDACTED]. The R/Os informed her that they could not provide this type of transportation. At that time the complainant became abusive in language. The complainant then opened the rear door of the squad car and entered. The complainant then asked that she be taken to 3200 W. Roosevelt Rd. The R/Os notified COS of a relocation and transported her. P.P.O. Hampton noted that [REDACTED] had cerebral palsy, was paralyzed, and could not speak. Upon their arrival at 3200 W. Roosevelt Rd., the complainant refused to exit the vehicle and said "I'm not getting out of the car with him, people will be staring at me so find me someplace to go." P.P.O. Hampton further related that Police Officer Miller advised [REDACTED] that they could no longer provide transportation. [REDACTED] then became verbally and physically abusive to [REDACTED]. She then struck him about the face and head with her fists stating "This is all your fault." [REDACTED] began to scream and shake giving the appearance of seizure-like actions.

[REDACTED] was then taken to Mount Sinai Hospital for observation. Upon arrival at Mount Sinai, [REDACTED] could not remove himself from the vehicle because of his paralysis. [REDACTED] became abusive again and began to strike [REDACTED]. Police Officer Miller then informed the complainant that she was under arrest. Police Officer Miller then placed handcuffs on the complainant, advised her of her rights and placed her in the police room of the hospital. [REDACTED] then began to scream "I don't care if I go to jail." While inside the police room the complainant began to kick the furniture and doors stating "I want to fight that female bitch partner of yours, I don't think she can beat me. The complainant then stated "Bitch take off your gun and I will beat your ass." P.P.O. Hampton stated that [REDACTED] was transported to the 010th District, where she was charged with Battery and processed.

CONCLUSION:

The reporting investigator recommends that this case be closed with a finding of NOT SUSTAINED on the allegations. There is no evidence which supports the complainant's version.
